Court Appointed Special Advocates  
FOR CHILDREN

MONTGOMERY COUNTY, TEXAS

## Welcome

With Saturday January 30, 2010 fast approaching, we thought you might like to receive advance information about the Gala by way of newsletters. Thank you for supporting our CASA fundraising gala and we look forward to seeing you there. We have a great three course menu selected and the band is ready to play until midnight.

## Thank You

With your support the funds raised at our Annual Gala enables CASA to recruit, train and support volunteers to advocate for abused and neglected children in our community. The cost of this is around \$2,500 a year for each advocate. Currently we are funded to service about 70% of cases but our goal is to have one trained advocate for every abused and neglected child so they can have the voice they need and so richly deserve.
